HuddleCamHD Warranty

This HuddleCamHD camera includes a 2 year return to factory warranty. This covers the hardware of the camera only. Damage caused by dropping the camera, exposing it harsh environmental conditions or using the camera in any way it was not designed for will void the warranty. If any problems arise with your camera you should first contact your dealer to resolve any issues. HuddleCamHD will support your dealer to provide a resolution to the problem.

Defective Camera Replacement

Defective cameras will be replaced with a new camera. Obsolete or discontinued products that are defective and under warranty will be replaced with the same product, if available. Otherwise, they'll be replaced with products of equal or better functionality.

What is the warranty for the replacement camera?

A replacement product is warranted for the remainder of the original product's warranty period or thirty (30) days, whichever is longer, or for any additional period of time that may be applicable in your jurisdiction.

What is a valid proof of purchase?

You must provide a "valid proof of purchase" to make a warranty claim. This is a receipt from an authorize HuddleCamHD dealer.

Is the HuddleCamHD warranty transferable?

HuddleCamHD warranties are only valid for the original owner of the camera, and are therefore not transferable. An original sales receipt or a valid copy of the receipt is required to establish the purchase date and the original purchaser.
